MANUFACTURER'S LIMITED WARRANTY

Manufacturer guarantees that the FOD-Razor® Airport Runway Sweeper meets the equipment specifications for friction mat airport runway sweepers in Federal Aviation Administration Advisory Circular 150/5210-24, *Airport Foreign Object Debris (FOD) Management*, section 5.2 b. (1) and appendix B.1 a. (b).

For the duration of its service life, Manufacturer will repair or replace (at Manufacturer's Option) for the original purchaser, FREE OF CHARGE, any FOD-Razor® part or parts found upon examination by the factory to be defective in material and or workmanship. Should defects develop and if requested by Manufacturer, parts must be returned to our factory prepaid for inspection. Manufacturer will not be responsible for repairs made outside of the factory without authorization.

For a period of twelve months following purchase and delivery, Manufacturer will repair or replace (at Manufacturer's Option) for the original purchaser, FREE OF CHARGE, any FOD-Razor® part or parts that have suffered accidental damage.

This warranty does not cover customary wear and tear on the unit, nor does it cover intentional misuse of the equipment.

The FOD Control Corporation is a division of Hughes Ventures, Inc, which is a small business, non-tax exempt corporate entity, not owned or controlled by a common parent company. Our Cage Code is 6T1R5, Tax ID number is 80-0809611, and DUNS number is 078667096. We are SAM / CCR / ORCA registered. Current Reps & Certs are online at SAM.GOV.
